

# BV300 Blower

- ✓ Eco-friendly engine with low noise output – 89dB(A)
- ✓ Lowest vibration levels – only 3.5m/s<sup>2</sup>
- ✓ “Vibcut” professional anti-vibration system
- ✓ Rubber covered handle
- ✓ Vacuumed material is chopped up by a 4-blade steel rotor to reduce collection bag volume
- ✓ Cloth filter ensures maximum engine protection – it’s reusable and easy to clean
- ✓ Can be converted to operate as a vacuum cleaner by fitting an optional vac kit
