

Sparta 42 Brushcutter

- ✓ Designed for intensive, continuous work in tough conditions
- ✓ 2-ring piston ensures high quality consistent performance over time
- ✓ Generously proportioned flywheel for more effective engine cooling, even at high temperatures
- ✓ Straight shaft
- ✓ Bull handle
- ✓ Aluminium recoil housing
- ✓ Good sized cloth air filter ensures optimum engine protection – even in dust-laden environments
- ✓ Optimised engine allows longer intervals between refueling stops and very low running costs
