TORO

TORO HOVERPRO 550

The HoverPro 550 is the mower that can go anywhere! Its light weight and power provide greater control and stability in extreme conditions. The HoverPro 550 is fantastic for tough slopes up to 45° due to its pressurized Honda Engine and wide cut, which also increases time efficiency. It is the best mower for year-round jobs and has superb performance in all weather types (in wet conditions, it never gets stuck and doesn't leave marks).

This hover mower is a favourite with turf professionals due to its dependability to make cutting jobs faster, easier, smoother and safer, with minimum downtime and operating expense.

- Powerful Honda® GCV160 engine
- 53 cm (21") cutting deck
- Steel cutting blade
- Capable on slopes up to 45°

QUALITY BRANDS, EXCEPTIONAL SERVICE.
