TORO PERSONAL PACE

TIMEMASTER PUSH MOWER

The TORO Personal Pace TimeMaster is the perfect mower for homeowners with big sections and busy schedules.

Get an outstanding cut and mow up to 40% faster, thanks to the 76 cm wide cutting deck and Personal Pace® with Traction Assist technology (the self propel system that matches your walking pace and stabilises in uneven terrain).

The Dual-Force cutting system will generate a super-fine mulch, returning the nutrients to the lawn and leave your lawn lush and healthy.

Features:

- Time Saver: 76 cm (30") wide cutting deck
- Spin-Stop™ Blade Stop: Step away without having to restart the engine.
- Personal Pace® with Traction Assist
- Powerful Engine (223cc)

This mower is the best choice for larger lawns, up to 4000 square meters in size.
