TORO FLEX-FORCE

60V ELECTRIC MOWER

Save time, finish faster, and make your job easier with the 56cm Recycler Automatic Drive System 60V Max* Cordless Mower.

Raise your expectations with this easy-to-start, easy-to-use, and easy-to-maintain mower.

The extra-long 56 cm blade, the largest in the industry, lets you mow a wider path to get the job done faster. It is ready when you are, as it starts the first time, every time.

Made to last, it has rugged durability with a steel deck, not plastic.

Supercharge your mowing with an amped airflow that requires less energy to cut more grass into teeny-tiny, clumpless clippings. That's our Vortex Technology™ giving you Lawn Vitamins™ for free.

Plus, save storage space with its space-saving design. With 324 watt-hours, the L324 battery can cut up to 1300 m² (0.3 acres).

QUALITY BRANDS, EXCEPTIONAL SERVICE.
