TORO[®]

TORO GRANDSTAND

STAND-ON AND PUSH MOWER

Rough bumps and challenging terrain are all in a day's work, but feeling them shouldn't have to be.

The TORO GrandStand combines the speed and comfort of a zero-turn rider with the on-and-off ease of a wide area walk-behind — creating a fast, maneuverable and more productive alternative.

The GrandStand also offers 2-in-1 versatility with the folding platform instantly converting into a walk-behind mower — saving time and money by eliminating the need for an extra mower and reducing machine length to save trailer space.

This mower has a 15 hp Kawasaki® V-Twin 603 cc engine and 86.4cm (36 inch) cutting deck, a compact size necessary to maximize property versatility while minimizing the footprint on a trailer.

QUALITY BRANDS, EXCEPTIONAL SERVICE.
