TORO

TORO 48" TITAN

RIDE ON MOWER

The Titan Z ride-on mower is tough as nails, cuts like a pro, has premium user comfort and is built with the DNA of a commercial machine.

The Titan Z ride-on mower is the perfect combination of professional power and luxury comfort.

This zero-turn mower is built to last, and will upgrade the maintenance of your lawn to a 'professional-standard' thanks to its many commercial features and benefits, including:

- MyRIDE Suspension System (cushions you from bumps/vibrations)
- 122 cm IronForged cutting deck
- 24hp Kawasaki V-twin OHV FR730V
- 18.9 L fuel tank
- Commercial drop pin height of cut
- Canister style air filter
- Wide front tubular axle and huge front tires

QUALITY BRANDS, EXCEPTIONAL SERVICE.
