60V* String Trimmer

Adjust this trimmer for any job with the variable speed trigger or adjust line size and/or cutting width – no spools required! Thick grass or large gardens are no problem for this efficient high-performance string trimmer. This hand tool will give you the run times needed to get your weekly trimming done. When you have heavy trimming to do, equip your tool with a bigger line, adjust the cutting width and you are ready to tackle heavy grass conditions.

From the heavy duty cast aluminium direct-drive head and increased motor torque. You get the cutting performance of a petrol engine trimmer with the comfort of a low noise, no emission battery tool.

60V* 61cm Hedge Trimmer

Tackle big jobs in no time. Cut your long yard story short with this time-saving Toro 60V* battery hedge trimmer. It can tackle big jobs in no time with a 61cm bar and 1.9cm cut capacity and a useful 90° rotating handle for easy vertical and horizontal trimming. With up to 75 minutes of run time, robust dual-action cutting system and comfort-grip handle for reduced vibration and hardened steel blades for a sharp cut and added durability, you'll make short work of the big jobs.

*Battery manufacturer rating = 60V maximum & 54V typical usage. Actual voltage varies with load.

**Based on battery at low speed in controlled laboratory testing of product. Actual runtime/number of cuts will vary based on conditions.
