TORO Z MASTER 8000

CATCHER MOWER

For high-end properties, a clean, manicured look is everything. The Z Master 8000 Direct Collect mower gives you that manicured finish and more.

The rear-discharge deck lets you trim on either side while keeping flower beds and walkways clipping-free, while the high-powered blower throws large volumes of material into the hopper and high-capacity collection system helps extend mowing time.

This machine is built to give you everything you need to achieve the perfect cut in less time:

- 23hp Kohler® Command Pro EFI 747cc Engine
- 122 cm rear-discharge, floating cutting deck with counter rotating twin blades
- Large 9.5 bushel hopper allows for extended bagging
- Easy to use controls make maneuvering virtually effortless
